CREATOR EARNING TRAJECTORY

Earnings are generated directly through live broadcast performance, viewer engagement, and platform monetization. Income scales predictably based on experience and shift consistency:

- **Entry-Level Live Streamers (Months 1–2): $1,500 – $2,000 per month**. Expected baseline for new streamers following operator guidance and shift schedules.
- **Experienced Live Streamers (Months 3–4+): $3,000 – $5,000 per month**. Achieved through established viewer retention and multi-platform presence.
- **Top-Tier Performers: $10,000+ per month**. High-performing creators with specialized broadcast formats and dedicated audience bases.
